

Photography / Video

To avoid the major disappointment of missing the chance to record your Child's special moments at the party remember to bring:

The Camera

Spare Film

Mains Leads

Batteries

Camera Stands

Emazdad encourages you to photograph as much as the show as you wish, and there are numerous photo opportunities, after all, the stars of the show are the children, especially the birthday child.

Emazdad only asks that while you're taking your snaps you don't distract the children, and he will advise you on where it's best you to stand while taking photo's or recording the fun.
